Dear Homeowner/Civic Association Leader, JULY 2017- JUNE 2018

This is the dues Invoice for your Civic or Homeowner Association membership in the Braddock District Council of Community Associations.

The Braddock District Council represents the largest volunteer organization in Braddock District that focuses citizen's voices for resolving problems, advocating issues, and sharing community information. The [goal](#) of the BDC is to promote the civic, community, and general welfare of the citizens by maintaining and improving our desirable, safe, and economically strong neighborhoods. Through internet announcements and meeting minutes, BDC members get first-hand information on Virginia and Fairfax governmental services, on local budget and legislative issues, on transportation, school, parks and BRAC. Members share news about neighboring activities and are collaboratively heard by our elected officials at all levels.

We achieve all this through your **membership voluntary participation** and your **association financial support**.

Voluntary Participation

Volunteer participation by members in working together as the Braddock District Council and with our District Supervisor contributes to better living in Braddock District. Volunteerism is the worthy and vital foundation for community well-being and the BDC is confident that future generations of Braddock citizens benefit from today's volunteers.

Financial Support

Your membership dues support the BDC [purpose](#) and is a necessary fact of community representation. Association dues are the only financial support for BDC events and services such as the *Best of Braddock* recognition awards, the *Braddock District picnic*, the *Braddock Forums*, and the [BDC web site](#) at www.bdcfx.org.

Join for the first time or renew your membership in the Braddock District Council of Community Associations. Thanks to those associations who have already renewed their commitment to the BDC by paying their dues.

Regards,

George Klein, Chairman,
Braddock District Council of Community Associations
