- The Chairman introduced Fairfax County’s representative from the Communications Policy and Regulation Division, Mr. Allan Hide

- Attendees were reminded of BDC website: <http://www.bdcfx.org>

Fairfax County Representation, Communications Policy and Regulation Division:

- Mr. Hide led a very informative discussion on “Trends in TV Viewing.” He provided up to date processes, tips and hints as to how to go about using services such as Netflix, Hulu, HBO Now, Amazon Video and Sling. He also discussed the enabling devices such as Roku, Apple TV, Amazon Fire Stick, Blu-ray players and game consoles that are required to access these services. Audience interest was high and we perhaps didn’t provide him the time that his subject required. We are looking into having him back again when we can devote a larger block of time to him.

Mr. James Wilkinshaw, Congressman Connolly’s Chief of Staff

- In Congressman Connolly’s absence Mr. Wilkinshaw summarized the Congressman’s views and initiatives in several areas pertinent to the audience. He took audience questions and provided insight into Congressional actions on health care, elections, woman’s issues, and other areas of interest. He was well received.

Meeting Adjourned at 9:15 PM
